

Required Notices

IMI reserves the right to change, amend, or terminate any benefits plan at any time for any reason. Participation in a benefits plan is not a promise or guarantee of future employment. Receipt of benefits documents does not constitute eligibility.

The Benefits Guide, combined with these legal notices, provides an overview of the benefits available to eligible employees and their dependents. In all cases, the official plan documents govern and the Benefits Guide is not, and should not be relied upon as, a governing document. In the event of a discrepancy between the information presented in the Benefits Guide and official plan documents, the official plan documents will govern.

Fixed Indemnity Notice

This fixed indemnity policy may pay you a limited dollar amount if you’re sick or hospitalized. You’re still responsible for paying the cost of your care.

- The payment you get isn’t based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn’t a substitute for comprehensive health insurance.
- Since this policy isn’t health insurance, it doesn’t have to include most federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

Visit [healthcare.gov](https://www.healthcare.gov) or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options. To find out if you can get health insurance through your job, or a family member’s job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your state Department of Insurance. Find their number on the National Association of Insurance Commissioners’ website ([naic.org](https://www.naic.org)) under “Insurance Departments.”
- If you have this policy through your job, or a family member’s job, contact the employer.

Statement of material modifications

This enrollment guide constitutes a Summary of Material Modifications (SMM) or Summary of Material Reductions (SMR), as applicable, to the IMI Americas Inc. Health and Welfare Plans summary plan description (SPD). It is meant to supplement and/or replace certain information in the SPD, so retain it for future reference along with your SPD. Please share these materials with your covered family members.

Summary of benefits coverage & summary plan description

A Summary of Benefits Coverage (SBC) and a Summary Plan Description (SPD) for each of the employer-sponsored medical plans are available at us.imi-optimize.com. You may also request a paper copy by emailing benefits@imiamericasinc.com.

Willis Towers Watson role and compensation

Willis Towers Watson (WTW) facilitates the placement of insurance coverage on behalf of its clients.

Willis Towers Watson is compensated through commissions that are calculated as a percentage of the insurance premiums charged by insurers. This compensation may include payment from insurers for marketing-related expenses, technology investments, or service fees. Our compensation may vary depending on the type of insurance purchased, the insurer selected, and other factors such as the volume, growth, and/or retention of WTW’s book of business with the insurer or service provider.

Taxation of benefits

The taxation of certain benefits may vary at the local, state, and federal level. You should consult your tax advisor if you have any questions about the proper treatment of any benefits.

Important notice from IMI about creditable prescription drug coverage and Medicare

The purpose of this notice is to advise you that the prescription drug coverage listed below under the IMI medical plans is expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2027. This is known as “creditable coverage.”

Why this is important: If you or your covered dependent(s) is enrolled in any prescription drug coverage during 2027 listed in this notice and is or becomes covered by Medicare, you or your covered dependent(s) may decide to enroll in a Medicare prescription drug plan later and not be subject to a late enrollment penalty — as long as you had creditable coverage within 63 days of your Medicare prescription drug plan enrollment. You should keep this notice with your important records.

If you or your family members aren’t currently covered by Medicare and won’t become covered by Medicare in the next 12 months, this notice doesn’t apply to you.

Please read the notice below carefully. It has information about prescription drug coverage with IMI and prescription drug coverage available for people with Medicare. It also tells you where to find more information to help you make decisions about your prescription drug coverage.

Notice of creditable coverage

You may have heard about Medicare’s prescription drug coverage (called Part D) and wondered how it would affect you. Prescription drug coverage is available to everyone with Medicare through Medicare prescription drug plans. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans also offer more coverage for a higher monthly premium.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible, and each year from October 15 through December 7. Individuals leaving employer/union coverage may be eligible for a Medicare Special Enrollment Period.

If you are covered by one of the IMI prescription drug plans listed below, you’ll be interested to know that the prescription drug coverage under the plan is, on average, at least as good as standard Medicare prescription drug coverage for 2027. This is called “creditable coverage”. Coverage under one of these plans will help you avoid a late Part D enrollment penalty if you are or become eligible for Medicare and later decide to enroll in a Medicare prescription drug plan.

- Anthem PPO Plan
- Anthem HSA Low Plan
- Anthem HSA High Plan
- Kaiser HMO Plan

For more information about your options under Medicare prescription drug coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the Medicare & You handbook. Medicare participants will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. Here’s how to get more information about Medicare prescription drug plans:

- Visit [medicare.gov](#) for personalized help.
- Call your State Health Insurance Assistance Program (see a copy of the Medicare & You handbook for the telephone number).
- Call **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**.

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit SSA online at [socialsecurity.gov](#) or call **1-800-772-1213 (TTY 1-800-325-0778)**.

Remember: Keep this notice. If you enroll in a Medicare prescription drug plan after your applicable Medicare enrollment period ends, you may need to provide a copy of this notice when you join a Part D plan to show that you are not required to pay a higher Part D premium amount.

For more information about this notice or your prescription drug coverage, contact:

Cassandra Perry
Vice President of Benefits US

IMI Americas

Suite 1150
Denver, CO 80237
benefits@imiamericasinc.com

If you decide to enroll in a Medicare prescription drug plan and you are an active employee or family member of an active employee, you may also continue your employer coverage. In this case, the IMI plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop IMI coverage, Medicare will be your only payer. You can re-enroll in the employer plan at Open Enrollment or if you have a special enrollment event for the IMI plan, assuming you remain eligible.

You should know that if you waive or leave coverage with IMI and you go 63 days or longer without creditable prescription drug coverage (once your applicable Medicare enrollment period ends), your monthly Part D premium will go up at least 1% per month for every month that you did not have creditable coverage. For example, if you go 19 months without coverage, your Medicare prescription drug plan premium will always be at least 19% higher than what most other people pay. You’ll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll in Part D.

You may receive this notice at other times in the future — such as before the next period you can enroll in Medicare prescription drug coverage, if this IMI coverage changes, or upon your request.

Health Insurance Portability and Accountability Act (HIPAA) special enrollment notice

Notice of special enrollment rights for health plan coverage

If you have declined enrollment in IMI’s health plan for you or your dependents (including your spouse) because of other health insurance coverage, you or your dependents may be able to enroll in some coverages under these plans without waiting for the next Open Enrollment period, provided you request enrollment within 30 days of when your other coverage ends.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your eligible dependents, provided that you request enrollment within 30 days of the marriage, birth, adoption, or placement for adoption.

IMI will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children’s Health Insurance Program (CHIP) coverage because you are no longer eligible; or
- Become eligible for a state’s premium assistance program under Medicaid or CHIP.

For these enrollment opportunities, you will have 60 days — instead of 30 — from the date of the Medicaid/CHIP eligibility change to request enrollment in the IMI group health plan. Note that this 60-day extension does not apply to enrollment opportunities other than due to the Medicaid/CHIP eligibility change.

Note: If your dependent becomes eligible for special enrollment rights, you may add the dependent to your current coverage or change to another medical plan.

To request a HIPAA special enrollment based on the events described above or obtain more information, contact benefits@imiamericasinc.com.

Women’s Health and Cancer Rights Act (WHCRA) notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your medical carrier at the phone number listed on the back of your ID card.

Newborns’ and Mothers’ Health Protection Act notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your medical carrier at the phone number listed on the back of your ID card.

Michelle’s Law notice

Extended dependent medical coverage during student medical leaves

The IMI plan may extend medical coverage for dependent children if they lose eligibility for coverage because of a medically necessary leave of absence from a post-secondary educational institution (including a college or university). Coverage may continue for up to a year, unless the child’s eligibility would end earlier for another reason.

Extended coverage is available if a child’s leave of absence from school — or change in school enrollment status (for example, switching from full-time to part-time status) — starts while the child has a serious illness or injury, is medically necessary, and otherwise causes eligibility for student coverage under the plan to end. Written certification from the child’s physician stating that the child suffers from a serious illness or injury and the leave of absence is medically necessary may be required.

If the coverage provided by the plan is changed during this one-year period, the plan will provide the changed coverage for the remainder of the leave of absence.

If your child will lose eligibility for coverage because of a medically necessary leave of absence from school and you want their coverage to be extended, call PlanSource at **1-844-347-2498** as soon as the need for the leave is recognized by IMI. In addition, contact your child’s health plan to see if any state laws requiring extended coverage may apply to their benefits.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility.

IMI Americas Inc. Health and Welfare Plans

Date: November 2, 2026

Plan Identification

Plan Name: IMI Americas Inc. Health and Welfare Plans

Plan Sponsor/Employer: IMI Americas Inc.

Plan Administrator: IMI Americas Inc.

Contact: benefits@imiamericasinc.com

Type of Plan: Group Health and Welfare Benefit Plan

Date of This SMM: November 2, 2026

Introduction

This document constitutes a Summary of Material Modifications (“SMM”) regarding the IMI Americas Inc. Health and Welfare Plans (the “Plan”). This SMM describes important changes to the information previously provided in the Summary Plan Description (“SPD”). This SMM is provided to you in accordance with Section 104(b) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Please retain this document with your copy of the SPD.

Description of Modification

Termination of the Wellbeing Rewards Program

Effective January 1, 2027 (the start of the 2027 plan year), IMI Americas Inc. (the “Company”) is terminating the Wellbeing Rewards Program, which is currently administered through Personify Health as a component of the Plan.

Current Program:

The Wellbeing Rewards Program currently allows eligible participants to earn points by completing approved wellbeing activities in the areas of mental, physical, financial, and social health. Participants who accumulate 100 points by August 31 of each year earn a \$500 discount on their medical plan premiums for the following calendar year.

What Is Changing:

- No further rewards points may be earned after August 31, 2026.
- Any rewards accrued through the 2026 plan year (i.e., the \$500 premium discount earned by participants who reached 100 points by August 31, 2026) will still be applied to 2027 medical plan premiums as previously communicated.
- Effective January 1, 2027, the Wellbeing Rewards Program will no longer be offered as a component of the Plan, and no premium discount will be available for the 2028 plan year or thereafter based on wellbeing activities.

Wellbeing Platform Resources:

The underlying wellbeing platform and resources (e.g., Personify Health tools, Koa Health, Sworkit, Enrich, Foodsmart, and Ovia) may continue to be available as general employee resources; however, participation in these programs will no longer generate rewards points or premium discounts under the Plan.

Effective Date of Modification

The modification described in this SMM is effective January 1, 2027.

Compliance Notice — Distribution Timeline

This SMM is being furnished to Plan participants and beneficiaries not later than 60 days prior to the effective date of the modification described herein, in accordance with 29 C.F.R. § 2520.104b-3(d)(1). That regulation requires that a summary description of any material reduction in covered services or benefits under a group health plan be provided no later than 60 days after the date of adoption of the modification.

Distribution of this SMM by November 2, 2026 satisfies the 60-day advance notice requirement applicable to material reductions in covered services or benefits.

Additional Information

- This SMM supplements and amends the SPD for the Plan. In the event of a conflict between this SMM and the official plan document, the terms of the plan document will control.
- Please retain this document with your copy of the SPD for future reference.
- If you have questions about this change or any other aspect of the Plan, please contact the Plan Administrator by emailing **benefits@imiamericasinc.com** or by calling the PlanSource Benefits Resource Center at **1-844-347-2498**.
- Although IMI Americas Inc. intends to continue the Plan, the Company reserves the right to change, modify, amend, or terminate any or all of the provisions of the Plan at any time and for any reason, subject only to applicable law.
- The information contained in this SMM is for informational purposes only. It does not constitute a contract or create any contractual obligation on the part of the Company.

Your Rights Under ERISA

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). These include the right to examine, without charge, at the Plan Administrator’s office, all plan documents and other records, including a copy of the latest annual report (Form 5500) filed by the Plan with the U.S. Department of Labor.

You may also obtain copies of all plan documents and other plan information upon written request to the Plan Administrator. A reasonable charge may apply for copies.

If you have questions about this SMM, your rights under ERISA, or if you need assistance, contact the Plan Administrator at **benefits@imiamericasinc.com**.

Your Rights

When it comes to your health information, you have certain rights. This section explains your rights and some of our responsibilities to help you.

Get a copy of health and claims records

- You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this.
- We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.
- Ask us to correct health and claims records
- You can ask us to correct your health and claims records if you think they are incorrect or incomplete. Ask us how to do this.
- We may say “no” to your request, but we’ll tell you why in writing within 60 days.

Request confidential communications

- You can ask us to contact you in a specific way (for example, home, office, or mobile phone) or to send mail to a different address.
- We will consider all reasonable requests, and must say “yes” if you tell us you would be in danger if we do not.

Ask us to limit what we use or share

- You can ask us not to use or share certain health information for treatment, payment, or our operations.
- We are not required to agree to your request, and we may say “no,” for example, if it could affect your care. If we agree to your request, we may still share this information in the event that you need emergency treatment.

Get a list of those with whom we’ve shared information

- You can ask for a list (accounting) of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why.
- We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.

Get a copy of this privacy notice

You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.

Choose someone to act for you

- If someone has authority to act as your personal representative, such as if someone has your medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information.
- We will make sure the person has this authority and can act for you before we take any action.

File a complaint if you feel your rights are violated

- You can complain if you feel we have violated your rights by contacting us using the information on page 1.
- You can file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201, calling 1-877-696-6775, or visiting **<https://www.hhs.gov/hipaa/filing-a-complaint/index.html>**.
- We will not retaliate against you for filing a complaint.

Your Choices

For certain health information, you can tell us your choices about what we share. If you have a clear preference for how we share your information in the situations described below, talk to us. Tell us what you want us to do, and we will follow your instructions.

In these cases, you have both the right and choice to tell us to:

- Share information with your family, close friends, or others involved in payment for your care
- Share information in a disaster relief situation

If you are not able to tell us your preference, for example if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent threat to health or safety.

In these cases we never share your information unless you give us written permission:

- Marketing purposes
- Sale of your information

Our Uses and Disclosures

How do we typically use or share your health information?

We typically use or share your health information in the following ways.

Help manage the health care treatment you receive

We can use your health information and share it with professionals who are treating you.

Example: A doctor sends us information about your diagnosis and treatment plan so we can arrange additional services.

Run our organization

- We can use and disclose your information to run our organization and contact you when necessary.
- We are not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage. This does not apply to long term care plans.

Example: We use health information about you to develop better services for you.

Pay for your health services

We can use and disclose your health information as we pay for your health services.

Example: We share information about you with your dental plan to coordinate payment for your dental work.

Administer your plan

We may disclose your health information to your health plan sponsor for plan administration.

Example: Your company contracts with us to provide a health plan, and we provide your company with certain statistics to explain the premiums we charge.

How else can we use or share your health information?

We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes. And in all cases, if we have substance use disorder patient records about you, subject to 42 CFR part 2, we cannot use or share information in those records in civil, criminal, administrative, or legislative investigations or proceedings against you without (1) your consent or (2) a court order and a subpoena.

Help with public health and safety issues

We can share health information about you for certain situations such as:

- Preventing disease
- Helping with product recalls
- Reporting adverse reactions to medications
- Reporting suspected abuse, neglect, or domestic violence
- Preventing or reducing a serious threat to anyone’s health or safety

Do research

We can use or share your information for health research.

Comply with the law

We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we’re complying with federal privacy law.

Respond to organ and tissue donation requests and work with a medical examiner or funeral director

- We can share health information about you with organ procurement organizations.
- We can share health information with a coroner, medical examiner, or funeral director when an individual dies.

Address workers’ compensation, law enforcement, and other government requests

We can use or share health information about you:

- For workers’ compensation claims
- For law enforcement purposes or with a law enforcement official
- With health oversight agencies for activities authorized by law
- For special government functions such as military, national security, and presidential protective services

Respond to lawsuits and legal actions

We can share health information about you in response to a court or administrative order, or in response to a subpoena.

Our Responsibilities

- We are required by law to maintain the privacy and security of your protected health information.
- We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
- We must follow the duties and privacy practices described in this notice and give you a copy of it.
- We will not use or share your information other than as described in this notice unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information see: www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html.

Changes to the Terms of this Notice

We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request and at us.imi-optimize.com, and we will mail a copy to you.

No Surprises Act notice

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other healthcare provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a healthcare facility that isn’t in your health plan’s network.

“Out-of-network” describes providers and facilities that haven’t signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “balance billing.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can’t control who is involved in your care — like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

You are protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan’s in-network cost-sharing amount (such as copayments and coinsurance). You can’t be balance billed for these emergency services. This includes services you may get after you’re in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan’s in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can’t** balance bill you and may not ask you to give up your protections **not** to be balance billed.

If you get other services at these in-network facilities, out-of-network providers **can’t** balance bill you unless you give written consent and give up your protections.

You’re never required to give up your protections from balance billing. You also aren’t required to get care out-of-network. You can choose a provider or facility in your plan’s network.

When balance billing isn’t allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copay, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you’ve been wrongly billed, you may contact the U.S. Department of Health and Human Services at **1-800-985-3059**. Visit No Surprises Act | CMS for more information about your rights under federal law.

Machine-Readable File

The **Transparency in Coverage Final Rules** require certain group health plans to disclose on a public website information regarding in-network provider rates and historical out-of-network allowed amounts and billed charges for covered items and services in two separate machine-readable files (MRFs). The MRFs for the benefit package options under the IMI Welfare Benefit Plan are linked below:

The link: anthem.com/machine-readable-file/search will allow you to search for our files using our Employer Identification Number (EIN) 84-0858329.
